WDG Public Health
Dental Information Session

Join us to learn about dental health and caring for your family's smiles!

During this session, we will:

- Show how to brush and care for your teeth
- Talk about dental programs and services in schools
- Answer your questions about teeth and oral health
- Help you find out if you qualify for free dental care
- Help you apply for dental programs
- Connect you with dental services and supports

We are here to help families get the dental care they need.
